Ride the Alps

UNDISCOVERED alps

'6 of the best' - highlights:

1. Vehicle supported rides on classic Tour de France routes including Alpe d'Huez, Cols de Izoard, Lautaret, Galibier, Noyer and Manse.

2. Also stunning rides through lesser known beautiful alpine valleys making the best use of expert local knowledge.

3. Bike pick up and return to England. No more flying with bikes headaches!

4. Full board accomodation including afternoon tea to help keep those legs turning.

5. Rafting and Via Ferrata - to help forget about your aching legs and to see more of what the area has to offer.

6. Guaranteed blue skies and sunshine..... well almost, the area does receive 300 days of sunshine each year!

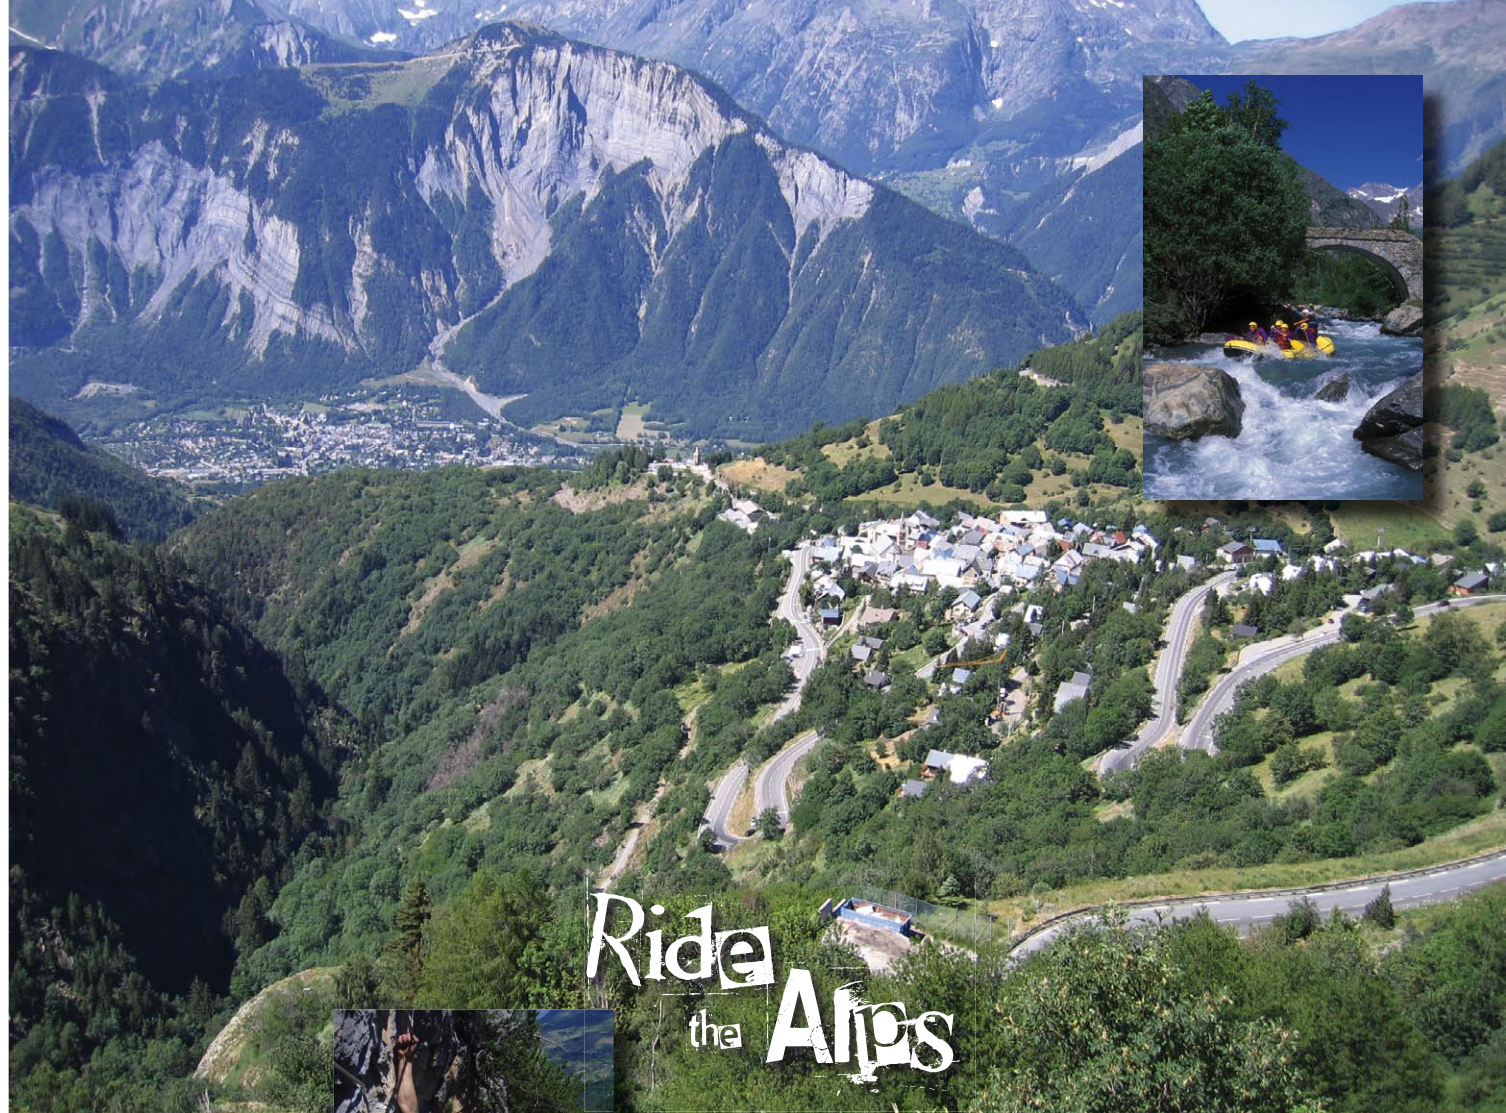

THE PRICE....£699

For a detailed itinerary, to find out more or book, contact us on:
